Welding Fume and Dust

Mobi-Flex is a mobile extractor with “no maintenance” replacement cartridge filters for mechanical cleaning of welding fumes and light grinding dust. The perfect solution to welding or other dust problems.

Replacement Cartridge

14 m² filter cartridge with up to 99,9 % efficiency. Simply remove the cartridge when full and insert a replacement cartridge. Takes just a couple of minutes.

Flexible and economical

Mobi-Flex is robust, yet the easily manoeuvrable wheels and the handles make for effortless transportation. Add to this the new super-flexible Flexi extractor arm, and you have a supremely versatile and flexible filtration unit that can be moved between different work stations

40 Years Experience!

40 years experience of design and manufacturing at your service. These products are a combination of well-proven technique and progressive new ideas.

Always a step ahead – but not expensive!
